www.hypnosismo.com – 660 747 3377
Windsor, MO 65360

The participant is responsible for the following:

\$2900.00, registration fee

Transportation, Lodging, Meals

Purchase of 4 textbooks:

- Clinical Experimental Hypnosis, by Dr Kroger MD
- Hypnotherapy by Dave Elman
- The Body Keeps the Score by Bessel Van Der Kolk, M.D.
- The Myth of Repressed Memory by Dr. Elizabeth Loftus & Katherine Ketcham

Students should bring their digital device to class as we will be using wifi for the presentation. Bring something that you can take notes on, manually or digitally.

Dress comfortable and layered for your individual comfort. Blankets and pillows are also welcome. The student/participants will be hypnotized many times during the training program.

NO CELL PHONES or NO RECORDING DEVICES allowed in the classroom

Instructor will provide participants with a digital training manual. The digital manual will be distributed on the first day of class.

200 hours of classroom contact time

Internet and phone contact available between classroom sessions for questions and support

Volunteers for individual session conducted by Linda Gentry and student observation

Volunteers as practice and final exam subject for the students
